

Network with Your Peers | Explore Real-World Scenarios  
Hear Inspirational Speakers | Actionable Insights

## ANNOUNCING 2018 DATES:

OCT. 1 - 3, LOEWS O'HARE

- **Concurrent sessions** are a fast-paced, single speaker format specifically designed to offer critical information you can use tomorrow to give you the talent edge in Senior Care.
- **Master Classes** are extended sessions 60–75 minutes that provide a deep-dive into the latest topics. They include both knowledge exchange and interactive exercises designed to deliver hands-on tools to take back to your organization for immediate implementation.
- **Deep-Dive Workshops** are 2.5 hours in length providing in-depth discussion and training into the subject matter. Workshop leaders combine instruction with peer-to-peer discussion with report backs for an interactive, comprehensive experience.
- **Roundtable Exchanges** are conducted over lunch with an expert facilitator, where you and your peers discuss and talk about key topics of the day.

### Also included in the SHINE Experience

*In addition to the attending sessions at SHINE, you have full access to all sessions at the Senior Care Marketing Summit (SMASH)*
